The Right Technology for Your Specialized Needs

RUSH Computer Rentals recognizes that your event rental needs will vary from the simplest one day projector rental to large multi-site events. Our goal is to earn your trust by making your rental experience easy and efficient.

At RUSH our success hinges upon your success. Not only do we have a robust inventory that showcases the latest products available in the marketplace, we can offer all identical computers whether your need is for 100 or 1000, our programs offer on-site delivery, set-up and pick-up.

Corporate Events

No matter what business challenge you face, RUSH stands ready to deliver trouble-free, seamless results. We understand your requirements may be temporary for an annual business meeting, training, seminar, employee enrollment or product introduction. We will be your trusted technology partner you can count on.

Training

Whether your rental need is for a single-day workshop at your facility or an ongoing professional development program at an off-site venue, our professionals work with you to develop an effective learning environment. We will handle the equipment set-up and logistics, allowing everyone to focus on the training event.

Market Research

RUSH understands how valuable the gathering, recording and analysis of data, opinions and attitudes are to your product or service. We equip you with the right configuration and level of support to meet your market research needs.

Business Technology When & Where You Need It

Our proven reliability, world-wide reach and exceptional service throughout the rental experience make the difference. RUSH will be your single point of contact to oversee your unique technology requirements.
