

# Litigation Support Solutions

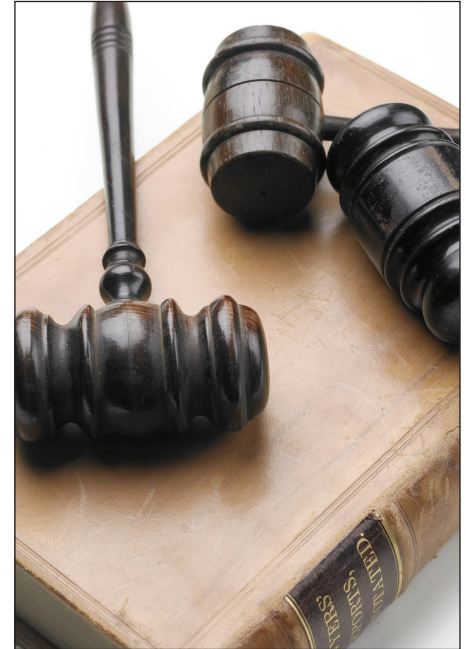

## The Right Technology for Your Specialized Needs

RUSH Computer Rentals understands the unique needs of the legal community including everything from document review and e-discovery, through litigation support. We provide this business technology support for war rooms, court rooms and the entire litigation lifecycle process.

- Laptops / Desktops & Displays
- Presentation Displays
- Wireless Capabilities
- Printers
- Copiers
- Audio Visual Equipment
- Scanners & Support Equipment

Our rental professionals will customize a package that allows you to focus on the overall case and trial management. We can accommodate your needs:

- Document review
- Ongoing court room litigation
- Administration of compliance audits
- Analysis of electronically stored information (ESI)

## War Room / Court Room Set-up

RUSH is experienced in the set-up and complete configuration for your war room or court room, providing the right mix of printing and copier equipment, scanners, audio visual equipment, presentation displays and wired or wireless network computer equipment.

We are experienced in providing business technology for your urgent needs, whether for a few computers or several hundred. Immediate delivery and set-up is available and we can expedite the loading of your software.

## Business Technology When & Where You Need It

Our proven reliability, world-wide reach and exceptional service throughout the rental experience make the difference. RUSH will be your single point of contact to oversee your unique technology requirements.
